## **STUDY REFERENCES**

The Multistate Pharmacy Jurisprudence Examination (MPJE) consists of Vermont law, Federal drug law, and generic substitution laws. Study references for this examination are available from the sources listed below.

- The current Board of Pharmacy Laws and Rules are available on our website listed below.

<http://vtprofessionals.org/opr1/pharmacists/>

- Code of Federal Regulations (CFR) 21 part 1300 to end. This contains the Federal Controlled Substance Act.
- Another excellent reference for Federal Law is The Pharmacy Law Digest put out by Facts & Comparisons:

77 Westport Plaza, Suite 405  
St. Louis, MO 63146  
1-800-223-0554

- You will need to know the formularies of limited prescribers such as

naturopaths (<http://vtprofessionals.org/opr1/naturopaths/>)  
optometrists (<http://vtprofessionals.org/opr1/optometrists/>)

- Information regarding substitution is governed by the Vermont Department of Health under Title 18 of the Vermont Statutes Annotated. Title 18 V.S.A. Health, Ch 91, § 4601 through 4634.
